ABSTRACT

Designed to provide elementary teachers with materials for the study of Australia, this unit contains 19 lessons that include objectives, materials, procedures, suggested extension activities, and answer keys where needed. Following the 19 lessons are blackline masters for teacher transparencies, student worksheets, and extension activities. A 19-item bibliography also is provided. The lesson titles are: (1) What We Know about Australia; (2) Locating Australia; (3) Countries and Water Surrounding Australia; (4) States, Territories, Capitals, and National Capital; (5) Geography; (6) History; (7) Aborigines; (8) Government and Symbols; (9) Cities; (10) Transportation and Communication; (11) Schools; (12) Plants, Birds, and Animals; (13) Agriculture and Industry; (14) Natural Resources; (15) Folktale; (16) Holidays; (17) Beach Party; (18) Review; and (19) Evaluation.
